Class Descriptions

SilverSneakers Splash® - Linda Weisberg

Activate your urge for variety! Splash offers lots of fun, shallow-water moves to improve agility, flexibility and cardiovascular endurance. No swimming ability is required and a special SilverSneakers kickboard is used to develop strength, balance and coordination.

Water Fitness For Everyone! - Sandy Buntley

The key to fitness is movement and activity. This class includes warm-ups, cardio, interval training, a variety of strength training with equipment, balance work and stretching for overall conditioning. This program is designed for all individuals and levels of fitness.

H2O Force - Lori Maine

This workout is designed to tone and firm muscles, burn fat and provide an awesome aerobic conditioning program. All of these goals can be accomplished in the same workout. Enjoy an invigorating workout in the buoyant water, nearly gravity free.

Deep Water Aqua Jogging - Lori Maine

Revitalize your workout with the latest exercise combination and training ideas that are easy to learn and perform in the deep water. This exercise program consists of waterpower exercises, resistance training, abdominal moves, kick training, and stretching—all in deep water. A flotation belt is supplied to all participants.

Strength & Power - Lori Maine

A non-stop, incredibly challenging program designed for those who want a high-impact intensive workout. Plyometric and power movements alternate between ultra tough strengthening and aerobics. This class will improve your agility, quickness, speed, strength and coordination. Men and women of all ages welcome!

Water Resistance - Lori Maine

This is the perfect workout for beginners to advanced levels. It is a non-stop, easy to follow, intense workout that maximizes resistance, which will make your body stronger, leaner and visibly slimmer. The workout starts in the lap pool area, then goes into the lazy river.

**Please sign in and pay at the front
desk and get a number for each class.**
